

appearing in the Business Standard dated 3rd January, 2001 (Delhi Edition). However, the Drug Policy is reviewed from time to time keeping the exigencies of public interest in view.

**Demand, production and consumption of fertilizers**

†4604. SHRI \*GOPALSINH G. SOLANKI: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) what are the details. regarding demand, production and the actual consumption of fertilizers, during the last three years, ending the year 2000, State-wise, production-wise and variety-wise;

(b) whether some fertilizers were imported during the above period;

(c) if so, the details thereof; and

(d) what has been the standard of working of Government and private fertilizer undertakings during the above period?

THE MINISTER OF CHEMICALS AND FERTILIZERS (SHRI SUKHDEV SINGH DHINDSA)\*† (a) State-wise demand/ consumption and production of different fertilizer nutrients during the last three years are given in Statement {see below).

(b) and (c) Urea is the only fertilizer which is under statutory price and movement control and whose imports are made on Government account to bridge the gap between requirement and indigenous availability through designated canalizing agencies. Other major fertilizers namely DAP and MOP have been decontrolled and their imports decanalized *w.e.f.* 17.9.1992 and 17.6.1993, respectively. The imports of these fertilizers are made freely on private trade account. The details of imports of fertilizers during the last three years are tabulated below:—

---
